

POINT GUARD PREP

4th-8th Grade & Coaches

Become the most skilled player on the court!

Your kids deserve the best training possible, period. Typical basketball camps with traditional 'stations' won't help your child get ahead of the pack. Neither will just playing games. Young players need cutting-edge skill development, decision-making practice, and loads of inspiration.

At a Point Guard Prep basketball camp, players get all three.

**Cutting-Edge
Skill Development**

**Decision-Making
Practice**

**Leadership
and Inspiration**
